Dear Prospective Eli Bunny Family:

I whole-heartedly recommend Elizabeth Zanetti and the Eli Bunny Family Child Care for any family considering child care. Our son was with her from 4 months old until he was 3.5 years old, and I know that under her care he is fully prepared for preschool and kindergarten.

We originally chose Eli Bunny because we liked the home-based day care and the individual attention that her and her team gave each child. Throughout our son's time there, she really got to understand his personality and what tools or strategies help him learn. She also communicates with a daily report and frequent pictures sent home to see what activities they are completing.

Elizabeth is extremely attentive with all of the children and she has developed a sound curriculum, which blends playtime and fun with educational experiences. Through her teaching, my son can use scissors, knows the alphabet and has started writing letters and numbers. He also has grown creatively and comes home with lots of fun projects. I also appreciated the amount of time the kids spend outdoors in her spacious backyard.

Even during the pandemic, Elizabeth was able to offer her curriculum and fun activities for the kids while operating a safe environment. When they were closed for a few months because of COVID, she sent a bag of work and activities home for us to keep him learning, which was appreciated.

Eli Bunny is certified and has received many awards from the county and state, which was what initially caught my attention when researching day care options. But we stayed for three years because we saw how much her team truly loved and cared for my son day in and day out. I have no reservations in recommending Eli Bunny Family Child Care to any family looking for day care. Your child will grow academically and socially, and most importantly will feel loved and part of a community.

We are sad to leave Eli Bunny but know that our son has been given the tools for his next schooling because of his time with Elizabeth and her team. Please feel free to contact me with any questions.

Best regards,
